LEARN ABOUT OUR ORGANIZATION SYSTEMS

The Ultimate Home Maintenance Binder

The Guide that Every Household Needs.

From **seasonal maintenance tasks** to **cleaning checklists**, The Orderly Life has outlined what homeowners should be doing on a month-by-month basis to **properly maintain their home**.

Within this binder, your clients can store their home's most critical information, track repairs, maintenance to-do's, and home enhancements and keep track of service contacts. Plus, this guide also comes with suggested folders to store all their home manuals, warranties, brochures, & contracts so everything they need to run their home is in **one place**.

The "What If?" Emergency Binder

Be Prepared in Life - and Death

Make sure your household's most **important information** is organized for loved ones so they can find what they need, when they need it. We'll supply the system – you just need to fill it and keep it in a secure place!

This **Emergency Binder** includes everything a household could need in the event of emergency – and in everyday life - in **one safe place!**

- Personal data and documents (*passports, social security cards, birth/religious/marriage certificates, etc.*)
- Insurance information (*home, auto, life, and more*)
- Financial information (*bank, credit, investments and debt*)
- End of Life directives
- Contacts and codes
